Re: THEFT OF ATM

Location: 7-Eleven 10300 Brookpark Rd, Brooklyn

Date and time: July 28, 2016 5:03 am

On July 28, 2016 at 5:03 am, all Brooklyn officers responded to the 7-Eleven store and gas station located at 10300 Brookpark Rd. Dispatch advised officers that a white van had backed into the store and suspects had stolen the ATM.

Video surveillance showed a white passenger van back into the front glass windows of the store, shattering the glass. Three (3) unknown suspects wearing gloves then struggled to get the ATM into the van. Once the ATM was loaded into the van, all suspects climbed in the back and the van fled northbound on Tiedeman Rd. A store employee and a customer were present at the time of the incident but were not injured.

The van and the ATM, were found on fire later that morning in the City of Cleveland on W.91 st. The ATM had been vandalized and the contents removed.

Blood evidence was obtained at the crime scene and will be analyzed at the state crime lab for a DNA match.

One of the suspects was unable to keep his face covered and can be seen in the surveillance video. The Brooklyn Police are asking for the public's help in identifying this male (see attached photo).
